- V Handicapped Parking with Van Access
- T Tennis Courts
- ▨ 2nd Floor Walkway
- ⋯ 1st Floor Walkway

The exterior emergency phones (parking lot tower phones and building wall phones) are activated with a one touch push button operation which places the user of these phones in immediate contact with Campus Security Personnel. Once activated, the blue strobe light atop the parking lot tower phones will glow. Again, only activate an emergency phone if police, fire or ambulance response is required.
