

Your Best Value in Higher Education

Lorain County Community College offers area residents the most affordable route to two- and four-year degrees. If you plan to earn an advanced degree, LCCC offers courses that are guaranteed to transfer to all state universities in Ohio. You can earn your first two years of college credit at LCCC, then transfer to a state university to complete your degree.

The University Partnership at LCCC delivers even more value.

With the LCCC University Partnership, you can earn your bachelor's degree from any of eight universities, all located on the LCCC campus. Many of these degrees can be completed with three years of coursework from LCCC (at LCCC rates), and only one year at university rates. There is simply no better value in higher education than the University Partnership at LCCC.

And you don't sacrifice choice, either. LCCC's university partners offer a total of 27 bachelor's and 12 master's degrees in a wide variety of specialties, including business, engineering, health care, education and much more.

Learn more about all that LCCC has to offer.

LCCC offers quality programs, outstanding instructors and an open, inviting campus environment. Be sure to check us out on the Web at www.lorainccc.edu. You will see why enrollment at LCCC has increased over 50 percent in the past six years, making us one of the fastest-growing colleges in Ohio.
