

Get Ready to Register! LCCC Registration Tip Sheet

Get the best selection of days and times for your courses when you register early.

Be Prepared – Use this Pre-registration Checklist:

1. Check your MyCampus to make sure you don't have any holds that need to be taken care of; such as a Bursar's Hold or Library Fine.
2. Talk to your current faculty members to have a good understanding of how you are doing in your courses currently so that you can make wise decisions on future course selections.
3. Meet with an Academic Advisor (walk-in basis) or your Counselor (appointment) if you need assistance in selecting courses or if you have concerns about your current courses.
4. If you know which courses you want to register for, you can look at course times etc. through MyCampus or through the Find a Class feature on the home page of LCCC'S website.
5. Register on-line via MyCampus for your courses, making sure that you take the final step to enroll and not leave any courses in your shopping cart.
6. If you find you need to change a class or a time, you have plenty of time as you can adjust your schedule before classes begin.
7. If you are on an Academic or Success Plan, please make sure to check your campus e-mail for specific requirements regarding registration.
8. Remember, ask for help if you need it!
