Welcome to MyCampus, the Lorain County Community College Portal

MyCampus provides students, faculty, staff and our entire community access to information about LCCC.

- Students** – MyCampus will be used for summer and fall registration. To enter MyCampus, you will need to log in with your MyCampus user name and password (which is different from your Webreg login). For more information, please visit www.loraincc.edu/mycampusinfo.

If you are attempting to enter MyCampus from your work location and you receive a blank white screen when you click on the Student Center, it is possible that the firewall on your company network is blocking MyCampus.

Spring Term Grades will be posted in Webreg. At the end of May, all student records will be managed through MyCampus. [For spring term grades, click here to log into Webreg](#) (LCCC student number and Webreg password needed for login).
