

AY 2011-2012 College Tech Prep Award Lorain County Community College

Each year, the LCCC Foundation provides Financial Awards for College Tech Prep seniors who continue their education at Lorain County Community College. A minimum of two College Tech Prep Awards will be given for Academic Year 2011-2012. Recipients may receive the Award for two academic years as long as they maintain award eligibility criteria.

Award amounts vary per student and may be used to help pay for tuition, books, and/or supplies. Recipients must enroll at LCCC for a minimum of six credit hours. College Tech Prep Awards are considered “Last Dollar” support – meaning that the amount of the Award will be determined by both the student’s college enrollment hours and the total amount of other financial aid received.

The maximum annual Award, based on full-time enrollment, is \$3,000 less the total of other financial aid (Pell Grant, Ohio Instructional Grant, scholarships, etc.) received. Awards for students attending less than full time will be prorated based on the number of credit hours enrolled. Full-time students are defined as 12 credit hours or more; $\frac{3}{4}$ -time students as 9 to 11 credit hours, and $\frac{1}{2}$ -time students as 6 to 8 credit hours.
