

African American Male Teachers are needed.

Do you know any African American males who are seniors in high school who want to go to college out of state for "FREE" ? Several Black Colleges are looking for future African American male teachers and will send them to universities/colleges for 4 years FREE .

The 'Call Me MISTER' program is an effort to address the critical shortage of African American male teachers particularly among South Carolina's lowest performing public schools. Program participants are selected from among under-served, socio-economically disadvantaged and educationally at-risk communities .

The program is collaboration between Clemson University and four historically black colleges in South Carolina : Benedict College , Claflin University , Morris College and South Carolina State University

The project provides:

Tuition for admitted students pursuing approved programs of study at participating colleges .

An academic support system to help assure their success . . A cohort system for social and cultural support .
