VISION
Create a vibrant community for all where...
- All students achieve academic and career success
- Industry talent needs are met and businesses start, locate, and grow
- People connect and prosper

MISSION
Provide opportunities for...
- Individuals to succeed through quality education
- Economies to grow through innovation
- Communities to thrive through rich cultural experiences

VALUES
Equity for all in all we do. We value our role as the community’s college and the opportunity to build the community’s trust in order to educate, adapt, lead, and inspire. We value our role to create a better, more equitable future for our community.

By 2025, 10,000 individuals will earn an LCCC degree or credential

LORAIN COUNTY COMMUNITY COLLEGE

Refreshed and adopted June 24, 2021
Five Areas of Focus

1. **Student Focused**
   **Expand Participation**
   Prepare Working-Age Adults
   Integrate with community partners to engage and prepare more working-age adults with necessary credentials to succeed in good careers.

   Prepare Next Generation
   Deepen partnerships with K-12 to increase number of high school students graduating with college credit and/or industry credentials. Build intentional bridge from high school to college and career pathways.

2. **Success Focused**
   **Increase Completion and Academic Success**
   Broaden Programs and Services of University Partnership
   Reduce students’ time and cost by mapping and developing efficient, intentional transfer pathways and support services through University Partnership. Create strong industry partnerships aligned to University Partnership programs. Expand LCCC’s applied bachelor’s degree to meet employer needs and further reduce student costs.

   Expand Wrap-Around Services
   Through a caring campus culture, create equitable opportunities by understanding students’ needs and working to reduce barriers that impede success. Leverage LCCC’s Advocacy and Resource Center and community partners to expand wrap-around services including mental health, emergency aid, access to food, technology, transportation, tutoring, and more.

   Prepare Students with Skills for Success in Career and Life
   Provide broad educational experiences to prepare students with capacities and skills to thrive in a changing world. Focus areas include: technology proficiency, virtual work skills, equity-minded inclusive leaders, lifelong learning, entrepreneurial mind-set, creativity, strong communication and problem-solving abilities, social responsibility, application of digital technology skills and ability to adapt and change.

   Deepen the Student Experience with Applied Engagements
   Enhance student connection and engagement by creating co-curricular opportunities to apply communication, problem solving, working in teams, critical thinking, innovation, personal growth and development.

3. **Future Focused**
   **Foster Career Success**
   Expand Earn and Learn Models
   Ensure all students in applied and transfer programs have opportunities for relevant experiential learning to include options such as: embedded internships, apprenticeships, robust earn and learn opportunities, virtual internships, job shadowing, company tours, and more.

   Expand Career Awareness and Placement Services
   Identify workforce needs through the expansion of labor market insights to inform LCCC programs and the community about new careers, in-demand jobs and the changing economic landscape. Facilitate connections between students, graduates, and employers to fill workforce needs.

4. **Work Focused**
   **Improve Economic Competitiveness**
   Elevate Skills of Workforce as Economy Shifts
   Integrate with workforce and employer partners to rapidly upskill workforce for changing economy, leverage growth in virtual work to bring jobs to community’s talent.

   Stimulate Innovation and Entrepreneurship
   Leverage LCCC services and facilities to drive economic growth and innovation to develop, attract, and retain area businesses and industry; help accelerate invention, commercialization and entrepreneurship.

   Expand Pathways to Emerging and In-Demand Jobs and Industries
   Learn from data and employer partners about emerging careers and industries and use info to expand LCCC educational programs; leverage technology and partnerships to create accessible, flexible, student-centered pathways spanning non-credit to advanced degrees.

5. **Community Focused**
   **Enhance Quality of Life**
   Partner with Community Organizations to Address Common Community Challenges and Opportunities
   Partner with organizations that are leading efforts to address areas of importance such as transportation, digital connectivity, equity, food insecurity, health and wellness, and drug addiction.

   Leverage LCCC as a Community Resource
   Enhance our community by leveraging LCCC expertise, amenities and programs to expand personal enrichment and lifelong learning opportunities (i.e., cultural and culinary arts, entertainment, health and wellness, programming for children, families and seniors).

**Advancing Equity for All in All we Do!**
