

## Student Communication – January 19, 2021

Dear Student,

Commodores, welcome to Spring 2021! Whether you are new to us, returning from a previous semester, or a guest from another college or university, we welcome you to Lorain County Community College. We are certain you will find your Spring semester to be full of support and care- after all, we believe every student's dream matters and are here to help you along the way.

This email includes important links and information for Spring 2021. **This is an email to keep for future reference**, as it is possible you will not need this information now...but may in the coming weeks or months. You can also find this message and these links posted on the [LCCC Prepared Student Tab](#).

As we kick off another semester, it is important to remember that LCCC is a supportive and welcoming campus community for all. LCCC students are asked to [review campus safety and health protocols](#) and [LCCC Honor Code](#), and to commit to maintaining a safe, healthy, and well campus community during Spring 2021.

***We want to also remind you that, at LCCC, we understand life doesn't always go as planned.*** If a life challenge is preventing you from achieving your goals, our [Advocacy and Resource Center](#) (ARC) can help with food and utility assistance, childcare, transportation, legal services, and much more.

Welcome to LCCC!  
Let's get started,
