

Your Best Value In Higher Education

If you plan to earn an advanced degree, LCCC offers courses that are guaranteed to transfer to all state universities in Ohio. You can earn your first two years of college credit at LCCC, then transfer to a state university to complete your degree. LCCC's innovative **blanket tuition program** gives students the opportunity to take up to 18 credit hours and pay only for 13 credit hours. You can take classes online, at our Elyria campus or one of our learning centers in Lorain, North Ridgeville or Wellington.

LCCC's University Partnership delivers more value.

With the LCCC University Partnership, you can earn your bachelor's degree from any of 14 universities, all located on the LCCC campus. Many of these degrees can be completed with three years of coursework from LCCC (at LCCC rates), and only one year at university rates. There is simply no better value in higher education than the University Partnership at LCCC.

And you don't sacrifice choice, either. LCCC's university partners offer more than 50 bachelor's and master's degrees in a wide variety of specialties, including business, engineering, health care, education and much more.
