Master of Health and Human Services

Certificate in Health Care Management

The Master of Health and Human Services is a collaborative degree between The Bitonte College of Health and Human Services and the Warren P. Williamson, Jr. College of Business Administration. The program accommodates students from health and human services professions who require the skills and abilities for supervisory/managerial positions or who desire competence in health promotion and methods in the community. The program is structured as a completely online or evening college program. After completion of an academic core of coursework, students may concentrate in health promotion, health care administration or health informatics for health and human service professions.

Admission Requirements for Master of Health and Human Services

In addition to the minimum School of Graduate Studies admission requirements, applicants must complete undergraduate courses in research methodology, statistics, Accounting 2602, and Allied Health 4810 or Management 3725 or their equivalent (LCCC's ACTG 151 & BADM 251). Deficiencies in any of these courses must be eliminated before completion of the third semester of graduate work and must be completed prior to enrolling in related graduate-level courses. Also students must submit three letters of reference: one from a faculty member, one from an employer, and one from another source, or two from faculty members and one from another source. Regular admission requires an unrecalculated cumulative undergraduate grade-point average of at least 3.0 (on a 4.0 scale). Submission of a satisfactory GRE (general test) score maybe required of students who do not meet the admission criteria. Students seeking provisional admission must follow the requirements listed in the Graduate Bulletin under "Provisional Admissions".
