NRSE 4600: Nursing Excellence. (Completes OHIO BRICKS Bridges: Diversity & Practice Requirement.)	5 weeks	3
Total		31

Cumulative Total Credits After Year 4: 120

OHIO BRICKS and the Ohio Transfer 36

Students who complete the minimum requirements of the Ohio Transfer 36 (OT36, formerly the Ohio Transfer Module), at another college or university prior to enrollment in a degree-seeking program at Ohio University will receive transfer credit equivalent to fulfilling Ohio University's BRICKS general education requirements in Foundations (excluding the Advanced Writing component, which requires completion of TME 002 Second Writing), Pillars, and Arches. If you have not completed the OT36 your courses will be evaluated on a course-by-course basis and will apply toward general education requirements as appropriate.

Will have earned Ohio University Bachelor of Science in Nursing Degree after completion of the 31 credit hours of required nursing courses and the cumulative total of 120 credit hours.

Disclaimer:

The fluidity of these pathways is acknowledged. At each level changes are possible as requirements, courses, course numbers, etc. may change. All efforts have been made to confirm the accuracy of the pathway by each institution. Always be aware of the date of review on the document. Always seek the assistance of an Academic Advisor or Counselor.
