### Special Notes:

LCCC classes are bolded, Partner classes are not bolded.

Students transferring to the Hiram College Lorain County Community College's University Partnership Management Program should take MTHM 168.

Students should work closely with advisors at both institutions.

This program is designed to award maximum credit for an associate degree from Lorain County Community College, streamlining the completion of a bachelor's degree from Hiram College.

Hiram College is committed to ensuring that your academic credits count toward your Hiram degree. While Hiram does not limit the number of credits that may transfer in, students must complete at least 45 hours of study at Hiram College. Additionally, students should be aware that they must complete at least half of their major coursework at Hiram.

**All students must complete:**

A minimum of 120 semester credits

All major/minor course requirements

The Hiram College Core, the Urgent Challenge Curriculum, and the Hiram Connect requirement

**Maximize the importance of your associate's degree!**

**CORE Block Waiver:**

Students who have earned ANY accredited associates degree are eligible for a block waiver of Hiram's CORE—the Ways of Knowing Distribution Requirement (8 courses), and any student with 64 hours of transfer credit may be eligible for the same.

**Hiram Connect:**

All students transferring to Hiram College take part in Hiram Connect, a program for guided reflection on their course of study and—as the name implies—a connection of their coursework to a guaranteed significant real-world experience outside the classroom—study away, independent research, and/or internships.

**The Urgent Challenge Curriculum:**

The Urgent Challenge Curriculum for transfer students encompasses a two-course sequence that asks students to engage with broad questions that speak to the problems in our contemporary world. In these courses, students learn how to assess what skills and competencies they bring to a team, to address issues through a problem-based learning approach, and finally how to work collectively to address the urgent challenges of our time.

**Admission**

A 2.5 cumulative GPA in previous coursework is required

No ACT/SAT Score Required

Application is FREE

**Disclaimer:**

The fluidity of these pathways is acknowledged. At each level changes are possible as requirements, courses, course numbers, etc. may change. All efforts have been made to confirm the accuracy of the pathway by each institution. Always seek the assistance of an Academic Advisor or Counselor.
